The annual regimental sports of the Shropshire Light Infantry were held yesterday afternoon at the Khedivial Sporting Grounds, in the presence of a large number of spectators. The sports included a variety of competitions, such as long jump, running, and shooting. The Shropshire Light Infantry, who are renowned for their military excellence, put on an impressive display of their physical prowess and discipline. The event was well-attended, with many officers and members of the regiment participating.

The Extraordinary General Meeting of the shareholding company was held yesterday afternoon at Cairo. The meeting was called to discuss important matters related to the company's operations and future plans. Among the topics discussed were the company's financial performance, the distribution of dividends, and the approval of a new investment strategy. The meeting was attended by a large number of shareholders, who actively participated in the discussions.

The second performance of Nubara, Dean Butcher D.D., M. Washington, was held at the famous theatre in Cairo. The performance was well-received by the audience, who praised the actors' performances and the quality of the production. The theatre was packed with spectators, and the atmosphere was filled with excitement and anticipation.

The French Government has appointed Mr. Villiers the President of the Khedivial Sporting Grounds. Mr. Villiers is a well-known figure in the sporting world, and his appointment is expected to bring a new level of prestige and professionalism to the sporting grounds. The Khedivial Sporting Grounds are renowned for hosting important sporting events, and Mr. Villiers' appointment is likely to enhance their reputation.

La Daira Sanieh.

Le 30 janvier 1883, à 9 heures du matin, il sera procédé dans la salle des adjudications de la Daira Sanieh au Caire à la vente aux enchères publics des lots de terres et demeures désignés. La vente se fera par lots séparés suivant la superficie indicate dans les hodjets, nous croyons son existence incompatible avec les terres, nous allons le dire.

Les meilleurs sont les pires. Plus de cynisme chez les uns, plus d'hypocrisie chez les autres; au soi.117,01.2.

Le mal, en d'autres termes, ne reside pas aux clauses du contrat des charges et dépenses de l'adjunction 109 0° du code civil. La vente du prix sera gagné, que le Gouvernement ne acceptera la vente. La vente comprend toutes les machines fixées, les machines ou soupes modèles en sont exclus et pourront être acquises par l'acheteur après entente avec le Daira. Toute personne qui prétendra exercer un droit de préemption sur les lots de terres mise en vente sous la déclaration avant l'adjonction, faîte de ce que demande ce sera non recevable.
