2. La Pompe a marche d'une facon fort satisfaisante, en raison de l'importance de l'etape qu'elle represente.

3. En 1850, la moyenne annuelle des separations des mariages en France etait de 700 ; en 1869, elles se passaient en Angleterre a un chiffre de 3,801, ou la proportion des separations etait d'environ 1,5 sur 1,000 mariages celebres, alors qu'en 1837, elles arrivaient a 2,5 sur 1,000 mariages. Il n'y a done qu'une augmentation legere, qui s'explique par raccroissement des classes sociales et de la police des mariages.

4. En dehors des pays de langue allemande, il n'y a pas de divorce pour des raisons de consanguinite.

5. Les deux parties restent des etrangers en France.

7. Onannonce que trois cent cinquante demandes ont ete admises telles que elles se passaient en Angleterre.
